## About Sydell Skincare

Sydell has its original roots back in Atlanta, Georgia, USA. Founded in 1982, Sydell operates, under the Spa Sydell brand, seven high-luxury day spas, and it is considered one of the most elite spa destinations in the United States.

For over twenty years, Sydell has dedicated its services to the enhancement and care of beauty and body not only through its famous spas, but also through its clinically researched and developed top-of-the-line skin care products—The Sydell Skincare Line. This clinically designed line features products specifically formulated for each specific skin type. Women are now ensured to bring out their natural beauty as they nourish and revive their face and body, no matter their skin type.

The great products of the Sydell Skincare line are now available for the first time internationally to the women of the world through the exclusive representation of Lurik Corporation.

The Sydell Skincare products have been sold exclusively in Sydell stores in the USA market for many years, having proved not only their quality, but also their effectiveness of bringing the natural beauty of women. Sydell has really extended the clinical technology used in the development and advancement of proven skincare products and offers to its customers the opportunity to *“Experience How Much Science Goes Into The Art of Skincare”...*

## Sydell Skincare

### Toners

#### Revitalizing BHA Toner

The astringent properties of Witch Hazel extracts and Eucalyptus Oil helps remove excess oils and residue from the skin. Salicylic Acid in a concentration of 1% gently exfoliates and Beta-Glucaderm retexturizes skin.

**Application:** After Cleansing morning and evening, apply to cotton pad and wipe gently across face and neck. For oily/acne-prone skin apply daily. For normal/oily skin apply every second day. For normal skin apply once a week.

**Skin Type:** Oily  
**Size:** 6 oz (180 ml)

SYD009

---

#### Soothing Toning Mist

Ideal for all types of skin, the Soothing Toning Mist contains no alcohol and is non-comedogenic. Aloe and natural phospholipids provide moisture while Bosabolol and Azulene calm skin. Skin is refreshed, conditioned and toned.

**Application:** Spray mist onto cleansed face and neck after cleansing morning and evening. Repeat as desired to instantly refresh skin.

**Skin Type:** All  
**Size:** 6 oz (180 ml)

SYD010

## Sydell Skincare Facial Cleaners

### Cleansing Brush

This soft, gentle, round rubber brush was created to cleanse even the most sensitive of skin types. Used in conjunction with your liquid cleanser or with Sydell's Gentle Exfoliant, it leaves skin thoroughly clean with a brightened and refined complexion.

**Application:** Apply the product with your fingertips. Then rinse the Cleansing Brush in warm water and brush your face with upward circular motion for 2 minutes. Rinse with tepid water and apply Sydell skin care toner and moisturizer.

SYD030

Skin Type: **All**

---

### Conditioning Milk Cleanser

This mineral oil-free, petrolatum-free, non-comodegenic cleanser is ideal for dry skin or dry climate use. Oil-free humectants gently hydrate skin. Frequent cleansing will not result in drying or irritation.

**Application:** Apply daily in morning and evening to skin and gently massage in a circular motion. Rinse thoroughly.

Skin Type: **Dry**  
Size: **6 oz (180 ml)**

---

SYD011

### Foaming Salicylic Wash

A therapeutic facial and scalp cleanser with a Salicylic Acid concentration of 1.8%, and a pH balance that complements the pH of the skin. Drive away the vestiges of acne, dandruff, seborrheic dandruff, or psoriasis while leaving skin soft and conditioned.

**Application:** Apply morning and evening to damp skin and massage with circular motion. Rinse thoroughly and follow with Toner. Apply every day for oily skin, every other day for normal skin and once a week for dry skin.

Skin Type: **All**  
Size: **6 oz (180ml)**

SYD008

## Sydell Skincare

### Facial Cleaners (Cont.)

#### Gentle Cleansing Gel

Specially formulated with mild surfactants, this cleanser is non-abrasive and non-irritating. The pH is balanced to complement the pH of the skin. This cleanser is beneficial to all skin types, especially sensitive and post resurfacing procedures and light AHA peels.

**Application:** Apply to damp skin and gently massage with fingertips. Rinse thoroughly with water.

**Skin Type:** All  
**Size:** 6 oz (180ml)

SYD007

---

#### Gentle Exfoliant

The exfoliant that is gentle enough for all skin types. With mild surfactants, the delicate abrasive works without drying. The pH is balanced to complement the pH of the skin. Antioxidants Retinyl Palmitate and Tocopheryl Acetate make skin more resilient, while Beta-Glucaderm retextures giving skin a more even appearance. Use when mild surface exfoliation is needed.

**Application:** Apply to damp skin and gently massage with fingertips. Rinse thoroughly with water.

**Skin Type:** All  
**Size:** 2 oz (60 ml)

SYD019

## Sydell Skincare

### Masks

#### Camphor Mask

This gel mask is designed to calm Oily/Acne-prone skin. The essential oil combination of peppermint and camphor are a desensitizing and antiseptic treatment for the skin.

**Application:** Apply to clean skin and leave for 10 minutes. Rinse thoroughly. Skin feels soft, clean and refreshed.

**Skin Type:** Oily  
**Size:** 2 oz (60 ml)

SYD021

#### Phytomarine Hydrating Mask

This gel mask delivers maximum hydration and plumping. Kelp and sea extracts, minerals and vitamins hydrate and balance the skin. Ideal for use after wind, and sun exposure, or anytime skin requires soothing hydration.

**Application:** Apply a thin layer to clean skin and allow to set for 10 minutes. Apply cool water and remove. Can be used as a weekly preventative treatment.

**Skin Type:** Dry  
**Size:** 2 oz (60 ml)

SYD022

#### Detox Clay Mask

Using high purity/bentonite clay from Swiss lake bottom, the Detox Clay Mask provides high oil absorbent properties for deep pore cleansing of normal, oily and acne-prone skin. While detoxifying, the mask provides beneficial minerals to balance, condition and improve skin texture.

**Application:** Apply to cleansed skin and allow mask to dry. Mask should remain for an additional 5-10 minutes. Use only water to rinse away. Use twice a week for oily/acne-prone skin, and once a week for normal skin.

**Skin Type:** Normal/Oily  
**Size:** 2 oz (60 ml)

SYD023

## Sydell Skincare

### Masks (Cont)

#### AHA Mint Mask

This special combination of natural fruit acids naturally exfoliates the skin without irritation. Alpha Hydroxy Fruit Acids and the purifying properties of natural clay remove cellular debris and tone the skin. Great for teenage problem skin as well as for skin showing signs of aging.

**Application:** Apply to freshly clean face and neck once or twice weekly. Allow to dry for 15-20 minutes. Remove with warm dampened washcloth.

**Skin Type:** Normal/Dry  
**Size:** 2 oz (60 ml)

---

**SYD033**

## Sydell Skincare

### Moisturizers/Eye/Lip Products

#### Antibac Protectant

This oil-free treatment with Lysozyme/Lipopeptide anti-bacterial complex is specifically designed for oily/acne prone skin types. The gel forms a dry, invisible barrier to seal in moisture and keep out harmful environmental elements. Provides the perfect base on which to apply make up.

**Application:** For oily/acne-prone skin apply after cleansing and toning. For normal skin apply affected area.

**Skin Type:** Oily  
**Size:** 2 oz (60 ml)

SYD020

#### Hydroactive Eye Nourishment

All skin types benefit from the daily application of this non-greasy, lightweight gel. Phospholipids deliver moisture, while firming and plumping the delicate skin. Dry and mature skin reap the benefits of powerful moisturizers and antioxidants in this humectant eye cream. Ceramides and Phospholipids combine to improve skin resiliency and reduce fine lines and wrinkles surrounding the eye area. Sustained delivery of vitamins A, C, and E provide increase protection from environmentally induced free radical damage. The result is smoother, firmer more youthful skin.

**Application:** In the morning and evening gently apply by patting eye area with fingertips.

**Skin Type:** Dry  
**Size:** 0.5 oz (15 ml)

SYD025

#### Ultraplex ACE Moisturizer

This moisturizer is designed for mature skin. Ceramides give skin resiliency and help reduce fine lines and wrinkles. Skin's tone and texture improve as vitamins A, C and E prevent radical damage

**Application:** Apply morning and evening to clean treated skin.

**Skin Type:** Dry  
**Size:** 2 oz (60 ml)

SYD018

## Sydell Skincare

### Moisturizers/Eye/Lip Products (Cont.)

#### SPF 25 Moisturizer

This multiple formula moisturizer hydrates while maintaining the skin's natural pH and providing sun protection. It balances the skin's water barrier and provides a protective shield against environmental factors.

**Application:** Apply daily in the morning after cleansing and treating skin.

**Skin Type:** Normal to Dry  
**Size:** 2 oz (60 ml)

SYD014

#### SPF 18 Oil Free

This anhydrous chemical free sunscreen is lightweight and formulated with an advanced silicone elastomer. These compounds provide silkiness upon application to the skin without the whiteout that occurs with other chemical free sunscreens.

**Application:** Use daily under makeup and after clinical skin treatments.

**Skin Type:** Normal to Dry  
**Size:** 1 oz (30 ml)

SYD034

#### Nutra C Recovery Cream

This bioactive cream soothes and calms irritated skin with a combination of Cyclomethicone and Lipopeptide, and relieves redness associated with skin resurfacing procedures, such as microdermabrasion, mild AHA peels or sunburn. Vitamin C helps promote collagen and elastin, making skin more resilient.

**Application:** Apply after Nutra C Serum, post demabration procedures, light chemical peels or when sunburned. Can be used as a daily lightweight moisturizer.

**Skin Type:** All  
**Size:** 1 oz (30 ml)

SYD004

## Sydell Skincare

### Moisturizers/Eye/Lip Products (Cont.)

#### Nutra Lip Balm

The healing formulation moisturizes and softens lips while protecting against environmental agents.

Application: Apply with fingertips to lip area.

Skin Type: **All**  
Size: **0.25 oz (7.5 ml)**

SYD026

#### Gentle Eye Makeup Remover

Gently wipe away every trace of eye makeup in seconds with this fast-action, oil-free formula strengthened with natural cleansers from the succulent desert Yucca tree. Hydrating Algae and calming plant extracts soothe the sensitive eye area, leaving it comfortably hydrated without an oily afterfeel!

*This formula does not contain oils, sulfates, synthetic colorants, synthetic fragrance, or formaldehyde-releasing preservatives.*

Application: Apply liberally to cotton pad. Hold wet pad on eye area for several seconds, then wipe make up away. Heavier eye make up may require a second application of Gentle Eye Makeup Remover. Eye makeup may be reapplied immediately after use.

Skin Type: **All**  
Size: **4 oz (120 ml)**

SYD031

#### Dermaplex Micro Moisture

The daily moisturizer designed for the needs of normal/dry or dry/environmentally challenged skin. Skin is nourished and protected from harmful free radical formation through the steady delivery of Retinyl Palmitate, Tocopheryl Acetate, Panthenol, Gamma-linoleic acid.

Application: Apply morning and evening as needed to cleansed skin after treatment products.

Skin Type: **Normal/Dry**  
Size: **2 oz (60 ml)**

SYD016

## Sydell Skincare

### Body Care

#### Avocado Body Moisture

Luxurious, non-greasy formula. A rich blend of Almond, Avocado and Jojoba oils gently caress the skin, a smoothing away roughness with no greasy afterfeel. Apply to hand and body liberally morning and evening.

**Application:** Apply liberally to hand and body to luxuriate in soothing softness. Use daily, both morning and evening.

**Skin Type:** Normal to Dry  
**Size:** 12 oz (360 ml)

SYD028

#### Body Smoother

This body scrub remove dead skin cells and scours away the roughest, toughest layer of dry flaky skin cells as it helps uncover the soft, smooth skin hiding just below. Leaves your skin soft and smooth.

**Application:** Apply with sponge, loofah, raffe or washcloth in your shower or bath. Because its particles are carefully refined, you can use it 2-3 times weekly.

**Skin Type:** All  
**Size:** 8 oz (240 ml)

SYD029

## Sydell Skincare

### Serums

#### Nutra C Serum

Stabilized Vitamin C increases collagen and elastin production, while reducing hyper-pigmentation resulting from the aging process and sun damage. Use daily to promote smoother, more youthful skin.

**Application:** Use daily after toning to promote smoother more youthful looking skin. Post procedure conditions use both AM and PM. Oily conditions apply after Ultraplex Pigment Control in evenings.

**Skin Type:** All  
**Size:** 1 oz (30 ml)

SYD002

#### Ultrosome C-20

Active growth factor mimetic peptides combined with stabilized Retinol and Retinyl Palimate delivered via a nanosome provides for direct dermal stimulation resulting in skin repair and rejuvenation.

**Application:** Apply daily in evening prior to Decollete Collagen Enhancer and Moisturizer and watch fine lines and wrinkles fade away.

**Skin Type:** All  
**Size:** 1 oz (30 ml)

SYD006

#### Vita Retin Serum

After cleansing and toning, diminish fine lines and wrinkles with a few drops of this bioactive, nanoemulsion agent. Vitamins A,C and E and Beta-Carotene defend against free radical damage.

**Application:** For mature, dry and environmentally challenged skin apply nightly with fingertips. For normal skin apply every other evening.

**Skin Type:** All  
**Size:** 1 oz (30 ml)

SYD001

## Sydell Skincare

### Treatments

#### Acne Guard Combo

This is the ideal treatment for problem skin. The Acne Guard is designed for rapid penetration with a 12% L-ascorbic acid, 2% Salicylic acid and antimicrobial ethanolic water system for the reduction of the symptoms of acne. Formulated to treat the inflammatory reaction of acne eruptions with counter irritant L-ascorbic acid and the prostaglandin E1 inhibitor Ursolic acid.

**Application:** During the initial stages of treatment the system can be used both morning and evening. As acne breakout decreases, reduce to evening use only. Can also be used once a week as a preventive measure. Pour activator into bottle containing powder and shake well. The activated solution is stable for up to 3 weeks at room temperature. Shake well prior to each use. Apply to cleansed skin with cotton pad in overlapping strokes.

**SYD027**

Skin Type: **Oily**  
Size: **2 oz (60ml)**

#### AHA Clarifier 5%

The combination of non-abrasive, exfoliating gel and a soothing phospholipid results in the unveiling of radiant, more youthful skin while reducing sensitivity and dryness.

**Application:** Apply to face and neck 2-3 times per week. Always use a sunscreen protection as the ex-foliation removes the first barrier to penetrating UV rays.

**SYD005**

Skin Type: **Dry**  
Size: **1 oz (30 ml)**

## Sydell Skincare

### Treatments (Cont.)

#### Collagen Enhancer

Enhance your skin's ability to repair itself daily with the nanosomal delivery of collagen. Our bioactive peptide complex results in a reduction of fine lines and improves skin's uniformity. Clinically studies reveal a 12-38% increase in collagen production, skin is rejuvenated and more resilient.

**Application:** Every evening apply to clean skin with fingertips after Nutra C Serum.

**Skin Type:** All  
**Size:** 1 oz (30 ml)

SYD017

#### Dermal Resurfacing System

Gently buff and dissolve dull, old, tired skin away and reveal smooth, even, radiant skin in just 3 minutes. Antioxidant Vitamin C crystals loosen old skin and marine extracts dissolve them away. Your skin will glow with a healthy youthful radiance after this at-home treatment!

**Application:** Apply a small amount of the C Mask to cleansed face and massage with fingertips in a circular motion for one minute. Apply Activator directly onto C Mask. Massage gently for two minutes to activate and dissolve C crystals. Rinse thoroughly with warm water. Use 1-3 times per week.

**Skin Type:** All  
**Size:** 6 oz (180 ml)

SYD012

## Sydell Skincare

### Treatments (Cont.)

#### Oxygenation System

Gently stimulate, soften and brighten your skin with this system. Our oxygenation process destroys free radicals, while providing antibacterial protection. Your skin will appear more radiant, revealing a healthy glow.

**Application:** Apply a small amount of Oxygenation Cream to cleansed face with fingertips in a circular motion for one minute. Apply Catalase Activator directly onto Oxygenation Cream. Massage gently for two minutes to activate. Rinse thoroughly with cool water. Use 1-3 times per week.

Skin Type: **All**  
Size: **6 oz (180 ml)**

**SYD032**

#### Ultraplex Pigment Control

Hydroquinone in a 2% concentration treats both facial and hand pigmentation while acting as a humectant and moisturizer. Melanin hyperpigmentation gradually disappears to reveal lighter, fresher, more even skin.

**Application:** Apply daily to affected area in a thin even layer after toning. Allow to dry before moisturizing.

Skin Type: **All**  
Size: **1 oz (30 ml)**

**SYD003**
